The ultimate in genetic Mix. She has the greatest collection of The super horned animals in her ancestry. Her Dam is the over 90" TT Mo-Reflect-Bar and the grand dam is Reflect Bar over 80" TT then the Sire is the great RR Escondido Red projected to reach 94" TT with his Granddam being the fantastic BL Rio Catchit. The expectation is high. She is bred to our junior Sire BOR Double Wrangler who is projected over 100' TT
